Salt and Light to Make Him Known

Greetings from the Crossroads Chapel!

My tenure has come to an end with Crossroads Ministry. At the end of the year I will be leaving my post as Board President. I am not sure where my future holds with Crossroads Ministries, but I can say with great confidence that our Board of Directors will carry the torch of Jesus for years to come.

I would like to recap some accomplishments this Board has overseen and how the Holy Spirit has guided us through the last 5 years with dignity, grace and mercy. The following items are just a few of the things the Lord placed on our hearts and the hearts of others that He saw through to the end.

- Thousands of Bibles were given each year free of charge.
- People were prayed with and for on a daily basis during the fair.
- Individuals from local churches and ministries spent hours volunteering.
- The Gospel was shared countless times with children using the Wordless Story.
- The building was open for two car events during the summer.
- Participation in the Blaine Festival. Bibles and kids' cross necklaces were given out.

We saw many new building improvements:

- The front of the Chapel building received a facelift: a garage door was installed allowing the ministry to have an outdoor stage for music and entertainment all with a Gospel emphasis.
- Carpet laid throughout the Chapel as well as new flooring in the kitchen.
- Racking to store thousands of Bibles which are given away.
- Lighting and ceiling fans throughout the building.
- New HVAC system was installed to better A/C as well as heat which gives us flexibility to use the building throughout the year.
- A side door was installed as well as a safer garage door.
- Replacement of backroom furniture
- New signage around building with solar lighting.

Wow, what the Lord has done is amazing! It will be a very sad day when I hand over the reign to some else but I have been totally honored and blessed to be the President as well a vessel the Lord used to grow His kingdom. This ministry is in good hands and will continue to grow, increasing the impact for the kingdom of God. We will never know just how we have changed people's lives with the amount of prayer and the giving of Bibles. Glory be to God!

God Bless All of You!
