Salt and Light to Make Him Known

Looking Ahead 2021

This past year has brought so many different changes to our lives. As a ministry we lost our biggest emphasis and ministry opportunities during the 12 days of the Minnesota State Fair. We decided to use our time effectively and evaluate our principles and our future. We started an evaluation of why we exist as a ministry, which led us to refine our mission statement to be clear about who we are.

Salt and Light to Make Him Known

Our 12 days at the Fair are designed around being a witness of the Gospel of Jesus Christ through engaging fairgoers through music, testimony, prayer, interactive kids' programs, and the distribution of thousands of Bibles.

This year we made major improvements to our building so more ministry could happen within our facility. One of the features we will add this year at the Fair will be the availability to be baptized for those coming to faith.

We expanded our mission to being **Salt and Light** throughout the rest of the year. This vision was developed to engage our culture and address the ongoing needs of people whose lives may not come in contact with a local church. Our desire is to bring the gospel message into the culture 365 days a year. We are calling this expanded ministry, "**365**", a vision for our future. That vision is defined by the following:

- *Podcasts
- *Special Seminars
- *Blogs
- *Developing church and ministry partnerships
- *Internet video ministry
- *Outreaches during non-fair events
- *Training for outreaches
