Salt and Light to Make Him Known

Greetings from the Crossroads Chapel!

Welcome Back!

Welcome back to the Minnesota State Fair and the Crossroads Chapel! It has been two years since we assembled at the Crossroads Chapel and the Minnesota Great Get Together. The Crossroads Chapel has undergone many changes and we are excited to share with you just what has transpired.

Building Projects

We fully carpeted the Chapel front to back. We installed a new kitchen floor that will uphold the worst water leaks and new lockers that will help keep volunteers' belongings safe and secure. The building has gone through some changes and so has the ministry.

Expanding Our Horizons "365"

In 2020 the Crossroads Board voted to expand our horizons. A "365" committee was formed and is made up of 4 individuals from the Board: Larry Kutzler, Chris Heeb, Terry Schuveiller, and Shawn Jones. This group's mission is to bring the ministry outside the walls of the fairgrounds and reach others for the Gospel of Jesus Christ 365 days a year. Lord willing, we plan on doing many county fairs, festivals, etc. and share the Good News of Jesus.

This summer we had the opportunity to have a booth at the Blaine Festival, which we took full advantage of. Wow, was it exciting! We prayed with hundreds of people and some received Jesus as Lord and Savior. 500-plus free Bibles were given out as well as cross necklaces were made with hundreds of kids which explained the Gospel.

We also were able to participate in the Street Machine Summer Nationals in July. God worked in the hearts of many as several trusted Christ for salvation.

Another first for Crossroads Chapel is a full Spanish service on a Saturday night during the fair. Emmanuel Christian Center will be holding an all-Spanish service on Saturday September 4th at 7 pm. This will be a unique experience for our Hispanic Brothers and Sisters in Christ!

Christian Radio

We have a new relationship with Praise Live FM 95.3. Dave McIver, Executive Director of Praise Live FM will be providing information and updates to listeners about what is going on at Chapel during the fair. A real Holy Spirit affiliation and we are blessed to have them involved.

For our southern MN visitors, we also will be working with Kinship Christian Radio, KJYL in Blue Earth, MN. They will also be announcing events at the Chapel on-air as well as call in interviews with Crossroads.

Welcome Amy Bruno

We welcomed Amy Bruno to the ministry! Amy is our first employee who will be serving in a year around capacity and helping coordinate, manage, and handling many projects for Crossroads Ministry. She is also involved with Saturate USA which is an evangelistic program to reach the entire USA by 2027 with the Gospel.

Then and Now

So much has changed since the last time the fair was in operation in 2019. The pandemic changed everything ... the way we live, play, and interact with each other. Now in 2021, things have settled down a bit, but what remains is still the aftermath of all those unfortunate events. So, what does a person do when everything in life is either at a standstill or in jeopardy of going away? The only hope we have is to trust in God. He has made promises to us to be our peace, our safety, and our eternal hope. The Crossroads Chapel has been around for over sixty years at the fair sharing the Good News that God's promises can be trusted and in the midst of so much change in our world, His truth will bring us peace.
